

**Vice President, Perioperative Services**  
**Huntington Hospital**  
**Position Announcement**

Northwell Health seeks nominations and applications for an exceptional leader for the role of **Vice President, Perioperative Services at Huntington Hospital**. In partnership with Nick Fitterman, MD, Executive Director, the VP will build on the existing strengths of the perioperative services department and advance the standards of clinical practice at Huntington Hospital.

The VP, Perioperative Services will assume responsibility for patient care delivery and the management of human and fiscal resources of perioperative patient care services at Huntington Hospital.

This new leader will ensure that high-quality and cost-effective patient care is provided within regulatory and professional standards, aligning with the institution's mission. In addition, the VP, Perioperative Services will mentor direct reports and establish productive working relationships with the medical staff, support departments, and the lay and professional community. This role requires strong leadership and management expertise to establish and maintain standards of clinical practice, ensuring that department and strategic goals are achieved.

**Perioperative Services at Huntington Hospital**

Huntington has 348 beds, 12 operating rooms, a 16-bed PACU, 21-bed ASU, 4 da Vinci Xi robots, one single port access, one Mako, and an ion robot for navigational bronchoscopy. The Huntington Hospital performs thousands of surgical procedures annually, relying on a team of highly trained, highly efficient perioperative nurses. These nurses provide comprehensive care to patients before, during and after their surgeries. This role will assume leadership of the areas of surgical scheduling, pre-surgical testing, ambulatory day surgery, main operating room, post-anesthesia care unit, and central sterile processing. Perioperative services are offered in general surgery, pulmonology, gynecology, bariatrics, women's health, thoracic, neurology, colorectal, podiatry, orthopedic, and robotic services.

**Northwell Health**

Northwell Health is New York State's largest private employer and one of the nation's largest integrated health care systems, delivers world-class clinical care throughout the New York metropolitan area, pioneering research at the Feinstein Institute for Medical Research, and is educating the next generation of medical professionals through the visionary Donald and Barbara Zucker School of Medicine at Hofstra/Northwell.

**About Huntington Hospital**

Huntington Hospital provides outstanding health care with compassion and respect, promoting wellness within the communities it serves. This 348-bed community hospital located in Huntington, New York, has been caring for patients in Suffolk County and beyond since 1916. Huntington Hospital offers the highest quality care in specialties such as cancer, obstetrics and gynecology, emergency medicine, surgical oncology, spine, and thoracic surgery, with extensive expertise in advanced robotic technologies. This includes recognition for high performance in several specialties according to U.S. News & World Report's 2022-23 Best Hospitals rankings.

**VP, Perioperative Services, Huntington Hospital**

To be successful, candidates should have a strong record of accomplishment of excellence in standard compliance, developing and implementing policies that support and facilitate the clinical practice of nursing and quality improvement programs. This new leader will be responsible for the clinical practice

and patient care daily operations including housekeeping, patient advocacy, nursing, maintenance, and security. The VP, Perioperative Services will have the chance to participate in educational and research program development, and collaborate with other departments, disciplines, and agencies. This new leader must cooperate with other hospital administrators to promote effective daily operations and foster an environment in which all levels of staff participate in planning and problem-solving to enhance the value of perioperative services. Highly competitive compensation, benefits, and perquisites highlight the employment package.

The Search Committee invites inquiries, nominations, and applications for the position. Prospects should provide 1) an electronic version of their curriculum vitae and 2) a letter of interest, summarizing key achievements related to administrative, academic, and clinical leadership work in perioperative services. Confidential review of nominations and expressions of interest will begin immediately and continue until an appointment is made. To receive consideration for the position, please email all materials to **Northwell Executive Search at [executivesearch@northwell.edu](mailto:executivesearch@northwell.edu)** with “**VP, Perioperative Services**” in the subject line.

*The base salary range for this position is \$275,000 to \$325,000. The salary of the finalist selected for this role will be determined based on various factors, including but not limited to scope of role, level of experience, education, specialty, accomplishments, site/location, internal equity, budget, and subject to Fair Market Value evaluation. The base compensation range listed is a good faith determination of potential base compensation at the time of this job advertisement and may be modified in the future.*

*It is the policy of Northwell Health to provide equal employment opportunity and treat all employees equally regardless of age, race, creed/religion, color, national origin, alienage or citizenship status, sexual orientation, military or veteran status, sex/gender, gender identity, gender expression, disability, genetic information or genetic predisposition or carrier status, marital status, partnership status, victim of domestic violence, or other characteristics protected by applicable law. Northwell Health leaders, including the CEO, are committed to the principles of Equal Employment Opportunity and Affirmative Action.*
